Life's Largest Challenges Require the Simplest Solutions

At Palarum, we've reimagined the panic button as a discreet wearable badge that protects and empowers your entire workforce, one staff member at a time.

We believe life's largest challenges require the simplest solutions. That's why Palarum's SmartBadge is a powerful duress-alerting solution that's as light and portable as it is scalable.

Purposefully developed to be the fastest, most reliable solution to protect all staff no matter who they are or where they are.

Our proactive solution prevents and de-escalates workplace violence across all facilities, regardless of scale or staff volume.

Faster Response Times: Culture of Safety

When an incident arises, SECONDS matter

Step 1: Trigger Alert

Staff Member triggers alert
by pressing button **Once**

Step 2: Staff Safety Alert Received

Staff Safety alert sent to 3
closest clinicians

Step 3: Staff Member(s) Respond to Alert

Three closest staff members respond to alert using
room # on badge

Step 4: Clearing of Alert

Any of 3 alerted staff or staff member triggering
alert can turn alert off by pressing button **Twice**

- ▶ **Innovative, silent alarm triggering closest staff to halt staff safety incidents**
- ▶ **Notifies your staff and responders in real-time of where an incident is taking place**
- ▶ **Empowers staff to triage and de-escalate an incident immediately or elevate response to 911**
- ▶ **Creates a workplace culture of safety; staff can assist one another to keep everyone safe**
